LABOR DECIDES TO FIGHT THE RAIL BILL

Decision to Oppose Measure Provid-
ing For Regulation of Rail-
roads is Reached Today

UNION LEADERS IN SESSION

Meanwhile Railroad Executives
Meet With Director Hines to
Discuss Details of Return

(By United Press.)

Washington, Feb. 19.—Labor to-
day decided to fight the Esch-Cum-
mings bill providing for regulation of
the railroads from their return to
their owners, March 1.

While this decision was being
reached at the American Federation
of Labor headquarters here today,
railroad executives were meeting
with Rail Director Hines who dis-
cussed wages and other problems
connected with the return of the
roads.

The railway unions have agreed
to work in concert in pressing wage
demands and to oppose the railroad
control bill, it was learned today.
Reports that they had merged or
formed one big union were denied
by railroad officials. The organiza-
tions preserve their separate iden-
tity, they said.

Labor objections to the railroad
bill will be set forth in a letter to
President Wilson, signed by Samuel
Gompers, president of the American
Federation of Labor.

This communication is being
framed today at a meeting attended
by Gompers; Bert Jewell, head of
the federation railroad bureau and
officials of the big railroad unions.
The conference with the railroad
executives was called by Mr. Hines
to ascertain the attitude which the
railroad corporations would assume
toward the proposal advanced by
President Wilson in his reply to the
demands of railroad employees that
a federal commission be appointed
to consider the wage problem.

The conference report on the bill
will come up in the house Saturday
and in the senate probably Monday.
The chances largely in favor of
its adoption by both houses after a
hard fight in the house and after
sensitory opposition in the senate.

TO OBSERVE MONDAY AS A LEGAL HOLIDAY

Banks and Postoffice Will Follow
The Usual Custom Commemorat-
ing Washington's Birthday.

MEMORIAL SERVICES SUNDAY.

Since Washington's birthday this
year comes on Sunday, Monday will
be observed as the legal holiday by
the banks, postoffice and other in-
stitutions which observe holidays.
The banks will close all day and
the usual holiday rules will be in ef-
fect at the postoffice. There will be
no deliveries on the rural routes,
only one city delivery will be made
and the windows of the postoffice
will be closed at ten o'clock.

Washington's birthday will have
more significance this year than ever
before because it is on that day
French Memorial Diplomats will be
presented to the next of kin of all
Rush county men who lost their
lives during the war, at services to
be held at the First Presbyterian
church under the auspices of Rush
post No. 150 of the American Leg-
ion. The public is invited to attend
the memorial meeting.

Washington's birthday is not the
only holiday to fall on Sunday this
year as Memorial Day and the
Fourth of July also do.

QUARANTINE IS LIFTED.

James Mullins, proprietor of a
blacksmith shop in this city, was
today able to be at his place of bu-
siness, after a several week's
quarantine at his home in West 9th
street. Three small children of Mr.
and Mrs. Mullins were ill with scar-
let fever, and the house has been
fumigated and the quarantine lifted.

IS A VICTIM OF PNEUMONIA

Mrs. Elizabeth Medd, Age 67 Years
Dies at Her Home in New Salem

Mrs. Elizabeth Medd, widow of
Francis Medd, died last night at her
home in New Salem, following a
week's illness of influenza and lobar
pneumonia. The deceased was 67
years old and had made her home
in New Salem for many years, liv-
ing alone near the home of her
daughter, Mrs. A. J. Perkins. Be-
sides the daughter, she is survived
by two son, Oscar and Charles of
Orange. The funeral services will be
held Saturday morning at ten o'clock
at the Orange Christian church by
the Rev. Schrontz and burial will be
made in the cemetery north of
Orange.

ASH WEDNESDAY MARK THE OPENING OF LENT

Services Will Be Held Every Wed-
nesday and Friday in St. Mary's
Church Until Easter

PLEASURES ARE LAID ASIDE

Yesterday marked the beginning
of the Lenten season, during which
the gayeties and frivolities of the
world are laid aside as an atone-
ment and in preparation for the
great feast of Easter, Sunday April
4, which marks the end of Lent.

Strict observers of the period
will discontinue all forms of amuse-
ment and pleasures during the time
of Lent.

During the Lenten season ser-
vices will be held in St. Mary's Cath-
olic church here Wednesday and
Friday nights of each week. Wed-
nesday and Saturdays of the season
have been abolished as days of
abstinence with the exception of
yesterday, Ash Wednesday, Wed-
nesday in Ember Week and the
Wednesday in Holy Week, the last
of the season. The usual special ser-
vices will be held in the local church
Holy Week.

For generations Lent has been
observed by the world as a time to
consider the more serious problem
of spiritual affairs in comparison to
the worldly pleasures that hold
forth the remainder of the year. In
the churches it is a particularly
beautiful season and an appropriate
time marking the passion, death and
ending in the resurrection of Christ.

WILSON COMPLETES 'ADRIATIC ANSWER'

Understood to Have Drafted Note
to Supreme Council Without
Any Outside Advice

WILL NOT BE MADE PUBLIC

(By United Press.)

Washington, Feb. 19.—President
Wilson today completed his reply to
the supreme council's note in the
dispute over the Adriatic settlement
and placed it in the hands of Acting
Secretary of State Polk for trans-
mission to Europe.

The president's answer is under-
stood to be brief and to the point.
He started work on it this morning.
Wilson handled the reply entirely
without outside advice, so far as it
could be ascertained. The speed of
the reply recalls the rapidity of ex-
changing notes preceding the armis-
tice.

The supreme council's communi-
cation, understood to have invited
suggestions, was delivered to him
the correspondence between himself
and the supreme council until after
the Adriatic situation has been sat-
isfactorily adjusted.

SAYS FORD WAS PROTECTED

Washington, Ind., Feb. 19.—In a
speech in the senate today Senator
Sherman, asserted that Edson Ford,
son of the automobile manufactur-
er, was protected from the draft by
an executive official in the White
House. He did not specify whom he
meant.

TEAMS ARE DRAWN FOR BASKET MEET SAYS SIN ALWAYS LEAVES ITS MARK

Rushville Meets Morristown, Carth-
age Plays Arlington, Moscow
Fairview, Milroy Manilla

AT INVITATIONAL TOURNNEY.

Interest Thickens in Rush County
on Two Basketball Tournaments
Here—First Feb. 28

Basketball interest in Rush coun-
ty is now at high pitch with the ap-
proaching of two tournaments in
this city one February 28, and the
other one a week later. The tourna-
ment here next Saturday is the
invitational meet, in which eight
teams will participate, and last night
officials from these schools drew
lots for the games that will be play-
ed here then.

The first game will be played at
8:30 in the morning when Carthage
and Arlington meet. Then at 9:30
Rushville will play Morristown, at
10:30 Fairview and Moscow and at
11:30 Milroy meets Manilla.

The afternoon contests will be
played between the winners of the
8:30 game and 9:30 game, playing
this one at 2:30 and at 3:30 the
winners of the 10:30 and 11:30 con-
tests will meet.

The grand final at night will be
between the two surviving teams of
the afternoon contests.

It was decided at the meeting last
night that the four morning games
will be fifteen minute halves and the
remaining games will be regulation
games of 20 minute halves.

The officials will be decided upon
early next week. The eight teams
participating here are all from Rush
county with the exception of the
Fairview and Morristown schools,
the former from Fayette and the
latter from Shelby county.

In the drawing last night Rush-
ville drew Morristown for their first
opponent. Coach Sutton is of the
opinion that with the regular line-
up Rushville can defeat them. In
the next game Carthage will prob-
ably take Arlington, Fairview will
take Moscow and Milroy will take
Manilla.

Then the afternoon games, Rush-
ville will take Carthage, Milroy will
then take Fairview, leaving the final
game at night between Milroy and
Rushville. While this is only "dope"
it might be easily upset, as many
strange things have happened here
in recent weeks.

The seating capacity of the high
school gymnasium has been en-
larged for both of the tournaments.
The balcony has had elevated seats
installed and on the lower floor
many more seats are being placed in
position, so that the entire seating
capacity will be greatly increased.

The Rushville-Milroy game on
Monday night will help in a great
way of determining the winner of
both the invitational and district
meetings here. At the rate Rushville
has been traveling in recent games,
Milroy will have an easy time in
winning.

The seating capacity of the gym-
nasium will be taxed to its limit on
Monday night, as the entire town of
Milroy is coming for the game, and
local rooters will turn out in big
numbers.

The district tournament here on
Friday and Saturday of the follow-
ing week, will be one of the biggest
athletic events ever staged in this
city, when 16 towns will send teams
here to fight for the state trip to
Bloomington.

Red Cross Urgent Appeal

In the name of suffering
humanity, the Red Cross chap-
ter of this city appeals for at
least practical nurses to help
us give aid, and relief to the
sorely afflicted of our city. We
have four families with 21 sick
in them that are badly needing
nursing. If you can, or know
of anyone that can be secured
for this service please phone
Mrs. A. L. Stewart. Liberal
reward will be paid for the
services rendered.

L. E. BROWN,
County Chairman.

Anger, Jealousy, Avarice Register
Themselves in the Face, The
Rev. G. F. Sheldon Declares

COVERED ONLY BY FAITH

"Barriers to Hell" Will be Sermon
Subject at First Presbyterian
Church Meeting Tonight

Those who were present at the
service at the First Presbyterian
church last evening and heard Mr.
and Mrs. George sing "The Rugged
Old Cross," could not help but real-
ize that the gospel could be preach-
ed in song as well as sermon and
were deeply impressed. They have
already shown that they are going
to be very efficient helpers in the
work.

The attendance last evening was
again good and the interest intense.
The sermon was on Job's words, "If
I sin, thou markest me." The fact
was brought out that Job was in
one of his bitterest complaints and
that because he was looking at sin
from the viewpoint of self, later
when he came to see sin in the light
of God, his spirit became one of
deep contrition.

"Sin always leaves its mark," said
the Rev. G. F. Sheldon, the pastor
who is preaching at each of the
evangelistic meetings. "Anger, jeal-
ousy, avarice, etc., register them-
selves in the face. Spiritually, the
mark is one of blindness to spiri-
tual truth and reality, of deafness to
the message of God, of corruption
that some even glory in and some
try to hide, and finally spiritual
death."

The thought was stressed that
sin's marks had a certain element of
beneficence in them in that they
served the same purpose as symp-
toms relative to disease. Conclud-
ing, the fact was presented that
sin's marks could only be covered,
cleansed through faith in the blood
of Jesus Christ. "The blood of Jesus
Christ, His son, cleanse us from all
sin," the pastor quoted.

The great outstanding facts of sin
universal, blighting, cursing, and of
salvation only through the suffi-
cient sacrifice of Christ, are being
emphasized in these meetings.

This evening the sermon will be
on, "Barriers to Hell, or God's In-
terpositions."

All children, between the ages of
eight and fifteen, who are in any
way connected with the First Pres-
byterian church, are requested to
meet Mr. and Mrs. George at the
church tomorrow afternoon as soon
after 3:30 as possible for the or-
ganization of a Junior Chorus which
will sing at least one evening during
the meetings. Parents are urged to
take note and see that their children
are there.

OPPONENTS HAVE 'INNING'

Those Against Sale of Liners Grant-
ed Temporary Injunction Today

(By United Press.)

Washington, Feb. 19.—Opponents
of the immediate sale of ex-German
liners had tried "inning" in court
and before the senate commerce
committee today.

Justice Bailey, of the District of
Columbia court, granted a tempo-
rary injunction against the sale of
ships. Before the senate committee,
R. Stevens, shipping board commis-
sioner, opposed the selling of the
vessels now. Stevens declared the
shipping board had placed too low a
value of the liners.

Seven ships were held valueless,
but bids on these seven was more
than six million dollars. Now the
board has raised the value of the
vessels to ten million dollars.

HEARS OF BROTHER'S DEATH

Ed L. Beer received word this
morning of the death of his broth-
er O. C. Beer, at his home in Sun-
man, Ind., which occurred this
morning. No particulars as to what
time the funeral will be and where
were given. Mr. Beer left this af-
ternoon for Sunman.

ADMITS HE'S BOLSHEVIST

Martens Denies Working For Over-
throw of U. S. Government

(By United Press.)

Washington, Feb. 19.—"I am a
Bolshevist and would be glad to see
America become Bolshevistic," Lud-
wig C. Martens, Soviet representa-
tive to the United States, told the
Senate foreign relations sub-com-
mittee today.

Martens denied, however, of work-
ing to overthrow the United States
government. He protested against
the method of questioning used by
Wade Ellis, counsel for the senate
committee, who was reading speech-
es made at radical meetings which
Martens attended. Asked to define
the term radical, Martens declared
it is used to describe anything you
disagree with.

CONNERSVILLE TO PRESENT CHARTER

Rotary Club Coming Next Wednes-
day Evening, Accompanied by
District Governor Watkins

WILL BRING THE BOYS BAND

The Rushville Rotary club is mak-
ing preparations for the visit of the
Connersville Rotary club and the
district governor, Charles E. Wat-
kins, of Muncie, next Wednesday
night, when the charter will be offi-
cially presented to the Rushville
club.

The presentation will take place
following a banquet which will be
served to members of the Conners-
ville and Rushville clubs, as well as
Rotarians from Newcastle, Shelby-
ville and Greensburg, who will be
invited and are expected to come.

Connersville will likely come over
in a special interurban car, headed
by President E. Dwight Johnston
and accompanied by the Conners-
ville Boys band. Plans were made
for the banquet to be served at the
Knights of Pythias building by the
Pythian Sisters.

The letter from Pres. Johnston,
announcing the arrangements for
the charter presentation, was read
at the regular weekly luncheon of
the Rushville club yesterday and
committees were appointed to make
arrangements. A local committee on
entertainment will confer with a
Connersville committee regarding
the program. The Rushville club re-
ceived its charter Tuesday, Febru-
ary 10.

ELEVEN NEW CASES OF FLU REPORTED

Largest Number Developing During
24-Hour Period, But Five Are
in One Family

NOT COMPARED WITH 1918

Eleven new cases of influenza
have been reported to Dr. J. B. Kin-
singer, secretary of the city board
of health, in the last twenty-four
hours, which is the largest number
developing during a similar period,
during the present epidemic, but
there is still nothing alarming about
the situation, in the opinion of
health officers and physicians.

Five of the new cases sent in to-
day are in one family. The spread of
the disease has not anywhere near
reached the rate that it did in the
fall of 1918 when on some days, as
high as forty and fifty cases were
reported. The advice of Dr. Kinsinger
yesterday that social functions
be called off wherever possible, has
met with much favorable comment.

The new cases today are: Mrs.
William Hardwick and Ruth, Lester,
Esther and Vernon Hardwick of
North Julian street; Howard Higgs,
East Eighth street; Mary E. Cohee,
North Sexton street; Frank Carr,
226 North Perkins; Mrs. E. O. Ar-
buckle, 922 West Seventh; Frank
Madden, 833 North Main; Jesse
Mathews, address not given; Gale
Hinchman, North Harrison.

WIDOW OF JUDGE

W. A. CULLEN DIES

Mrs. Frances Sarah Cullen Expires
Wednesday Night at Home Here
in Eighty-Sixth Year

WAS BORN IN HARRISON, OHIO

Moved to Rushville in 1857 Soon
After Marriage When Husband
Opened Law Office Here

Mrs. Frances Sarah Cullen, widow
of the late Judge W. A. Cullen, ex-
pired last night about seven o'clock
at her home, corner of Fifth and
Main streets, following an illness of
several years duration, heart trou-
ble and senility causing her death.
Mrs. Cullen was in her 86th year,
spending 63 years of this time in
Rushville.

She was a daughter of Mr. and
Mrs. Thomas Davis, being born in
Harrison, O., on August 7, 1834. The
early part of her life was spent,
however, in Rising Sun, Ind. and it
was here that she made the acquain-
tance of William Allen Cullen, whom
she married October 14, 1857.

Mr. Cullen had just completed his
college education, having graduated
from DePauw university, in the law
department, the spring of the same
year. That same year he opened a
law office in Rushville and he and
Mrs. Cullen resided here the remain-
ing years of their lives. Judge Cul-
len died only a few years ago.

Mrs. Cullen was reared in the Uni-
versalist church and upon coming
to Rushville took an active part in
the First Presbyterian church and
became a member of this congrega-
tion, where she was affiliated with
the Sunday school work, the Band
of Workers and various other so-
cieties connected with the church.

Besides being an ardent worker in
the church, she also took an interest
in the D. A. R. organization, and
held a membership with the local
chapter.

When Judge Cullen died, Mrs.
Cullen began to fail in health. Dr.
and Mrs. Sexton made their home
with her and comforted her in the
last years. The last few months her
decline had been gradual, and her
condition became worse, as heart
trouble developed.

The deceased is survived by only
one daughter, Mrs. Hannah Sexton,
two grandchildren, Mrs. D. C. Green
of Ft. Smith, Arkansas and Mar-
shal Cullen Sexton of Cincinnati,
and one great-grandchild, John
Sexton Green, of Ft. Smith Arkansas.
Besides the near relatives a score of
distant relatives survive.

The funeral will be held Sunday
afternoon at two o'clock at the re-
sidence, and burial will take place
in the East Hill cemetery. Rev. G. F.
Sheldon will have charge.

SHERIFF PERSISTS IN FOLLOWING PLAN

In Face of Protests, Chicago Offi-
cial Will Hold a "Public Ex-
ecution" Tomorrow

CIVIC BODIES ARE OPPOSED

(By United Press.)

Chicago, Ill., Feb. 19.—Sheriff
Charles Peters persisted today in
plans for the "public execution" of
"Smiling Jack" O'Brien tomorrow.
Prior to the consent of O'Brien's
personal attorney, Peters stood
steadfast against the rising wave of
opposition. O'Brien was convicted
of the murder of a policeman.

With the opinion of the State At-
torney, Hoyne that such proceedings
are against the law, men and wom-
en's civic clubs met today to orga-
nize a public protest.

Peters continued to base his de-
cision on the belief that hanging in
view of pardoned criminals is a
crime deterrent. He was backed by
a large number of citizens but by
no organization.

Peters' contention was that he did
not compel the prisoners to witness
the death of one of their number.
Peters said that he would not re-
lease all prisoners from the over-
looking cells of the hanging grounds
"Close the man is hung."

County News

Cold Rain Road

Mr. and Mrs. Melvin Miller and daughter spent Sunday night with Mr. and Mrs. William Emseker and family.

Aikin Wasburn, Winton Hurst and Edgar Ryckman motored to Rushville Saturday and transacted business.

Fred Krugg who has been ill with the influenza and pneumonia, is improving.

Gar Angle who has been ill at his home here, is improving.

Mrs. James Hedrick and son Russell spent Friday afternoon with Mr. and Mrs. Krugg.

There were no church services in Hopewell Sunday on account of so much sickness in the vicinity.

Mrs. David Angle is ill at her home here.

In and Around Fairview

Scott Powell has moved from the farm of Samuel Shortridge, three miles east of Fairview, to the Green Thompson farm, three miles southwest of Fairview.

Cakner Parker has moved from the farm recently sold to the William Elliott farm east of Fairview.

Curtis Scholl who has been sick for several weeks, is able to be out again.

Mr. and Mrs. Raymond Bowles and daughters Vera and Elizabeth, of Mays, were the guests of Mr. and Mrs. John Brown Sunday.

Joseph Herbert of Rushville was in Fairview on business Monday.

The funeral services of Frank Hackleman, who died suddenly at his home in Bentonville Saturday morning of heart trouble, were held at ten o'clock and burial took place at the residence Tuesday morning at the Fairview cemetery.

Joseph Herbert and daughter Elsie of Franklin county called on Mr. and Mrs. Adam Herbert and family Monday evening.

Mr. Haylen has moved from the Garver Ailes property in Fairview to the Bert Cullin property near Longwood.

Walter Maple is ill at his home here.

Amusements

Serial at the Mystic

The seventh episode of "The Great Radium Mystery," together with a Lyons and Moran comedy, "Sweet Patootsie," and Pete Morristown and Magdeline Lane in "The Fighting Sheriff" is being shown at the Mystic theater today, and tomorrow's program will be "Bonnie, Bonnie Lassie," with Mary McLaren playing the part of Ailsa Graeme.

Ailsa left Scotland, native heath, in search of a job in America. Fate plays a strong part in bringing her and the nephew of a friend of her grandfather's, David Wisbart, whose uncle, Jeremiah, a crabbed old millionaire who is waiting for death and does not know what to do with his money.

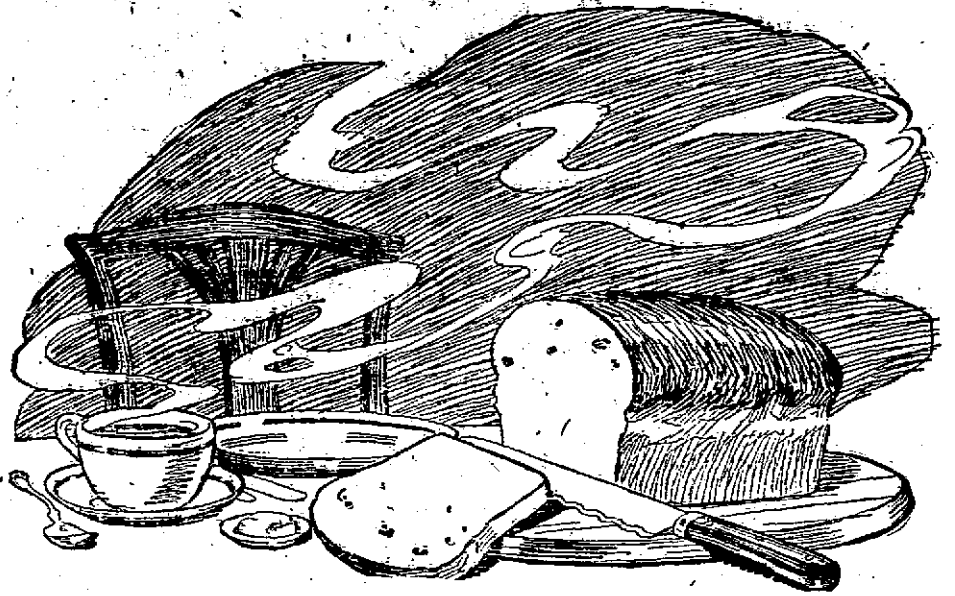

Jeremiah would rather die than let the fact be known, but he really likes the carefree David and shows his affection by raving and ranting at him whenever he calls. When pretty Ailsa Graeme arrives old Jeremiah decides to marry her to David and start the young couple out in life with a little nest-egg of twenty millions. But Ailsa doesn't want to marry anyone—particularly a man she has never seen, so she starts out to make her own way. She encounter a young chap painting signs along the roadside, asks for a job and is hired on the spot. The sign painter turns out to be David himself.

2 Day Program at Princess

Anthony Hope's exciting romantic story, "Captain Dieppe," has reached the movies. First published as a novel, the adventures of the dashing young secret agent proved a worthy companion of the author's earlier book, "The Prisoner of Zenda," which was the starting point of a flood of pseudo-historical literature. The popularity of "Captain Dieppe" led Mr. Hope to dramatize it and the stage play was produced both here and abroad. Recently the story was made in a scenario and under the title of "An Adventure in Hearts" it will be shown at the Princess Theatre today and tomorrow with Robert Warwick in the starring role.

The picture tells an entertaining yarn of adventure, love and plenty of excitement in a nobleman's castle in northern Italy. The hero is a sort of D'Artagnan, escaping from the agents of a Government that has refused to pay him for a hazardous task which he accomplished and which it is anxious to keep secret. Mr. Warwick is said to be ideally cast. He is supported by Juan de la Cruz, Winifred Greenwood, Helene Chadwick and others. The picture is a Paramount Artcraft and was directed by James Cruze.

A Mack-Sennett comedy will also be a feature at the Princess today and tomorrow.

More Bread--More Life

The morning "cup that cheers" is twice as good when served with plenty of crisp, delicious toast.

Good bread is the best body-builder because it is a food and not a stimulant.

LANG'S BREAD

will build you up better and faster than any other because it has more yeast in it. And more yeast means more vitamin, the vital, blood-enriching element found in yeast.

Eat more bread and while buying, assure yourself that it is the best by asking for Lang's at the following grocers:

J. H. RYON. THOS. W. LYTTLE
A. L. MILLER, Arlington.
W. E. CLARKSON & SON.
J. Kelly, JR. L. L. ALLEN
MRS. A. L. ALDRIDGE.

Big Saving On Hogs

Swift's Tankage Best Bone Builder.

Hogs must have a ration that will do two things:

1. Put on fat.
2. Build bone and muscle.

Corn is by far the cheapest feed to fatten your hogs.

But to build bone, corn is the most expensive of the common feeds.

Consider these facts, based on present market prices.

Feed	Per Cent Protein	Cost of Protein per pound
Corn	8%	28c
Middlings	15%	21c
Oil Meal	33%	13c
Swift's Tankage	60%	10c

Protein is the bone builder. Corn costs 2 4/5 times as much to build bone as Swift's Tankage. Don't cut down on tankage because the price looks high. It is the cheapest ration balancer on the market, because of its very high percentage of protein. Every experiment station in the country recommends it. Progressive farmers feed it. Haul a ton now and save on your hogs.

J. P. Frazee & Son

Childs

GROCERY STORES

Where your money goes the farthest
242 Main Street
Rushville, Ind.
14 Stores in Indianapolis.

Here Are The Reasons Why It Pays You To Buy At The Childs Stores!

The profits of the middlemen are saved to you when you buy at the Childs Stores.

We buy direct from the manufacturer, saving the middlemen's expenses and profits, and these savings we give to you. We also cut our own expenses down to rock bottom, no credit, no delivery, etc. All these things mean a BIG saving to you.

All our goods are plainly marked with our Selling Price. Come, see these up-to-date stores and the quality of the goods we handle and the low prices at which we sell. You need not buy—come in first and look around and satisfy yourself.

Don't doubt the quality because our prices are low; we handle the popular advertised goods which you all know by name. We guarantee entire satisfaction with every purchase or your money refunded. Nothing could be fairer than that. All we ask is a trial; we know you will be our customer thereafter.

Our Very Best COFFEE, a lb. 45c

If you have been buying a higher price coffee, try ours. We know you will like ours better, because it is a blend of high-grade coffees and FRESHLY ROASTED.

Our Very Best TEA a lb. 49c

A high grade tea. It's an 80c quality. You will say it is the biggest value you ever got. Your choice of Gunpowder, Imperial, Japan, Ceylon, Formosa or Mixed.

WE PAY THE HIGHEST PRICE FOR EGGS, EITHER CASH OR IN GROCERIES.

We are authorized to announce the name of W. R. Jinnett of Walker township, as a candidate for Representative from Rush county in the Indiana state legislature, subject to the Republican primary election on May 4, 1920.

Standardizing Gears to Seed

The facts regarding the existing car shortage on the railroads have been well set forth by Senator Kellogg of Minnesota. According to his figures, the roads as a whole added 120,000 cars on the average in each of the five years before the war. They retired about 90,000 cars per

year, leaving a net annual increase in car supply of about 30,000. In the two years and two months during which the roads have been under Federal control only 100,000 cars have been purchased, while the rate of car retirement was even greater than formerly, due to the tremendous increase in traffic on account of the war. Those cars have been less than half those required to take care of ordinary replacements; in other words, there has been a net decrease of 100,000 cars during the period of federal control. Mr. Kellogg charges that instead of getting busy and turning out cars, the Railroad Administration spent five previous months trying to standardize cars and locomotives. Meanwhile the cost of material went up, shops got busy on other work, and the cars were never forthcoming. What a striking parallel it is between the car situation and other projects, such as the airplane program. Instead of adopting designs of approved efficiency, ready to hand, production was sacrificed in a vain attempt to remold entire industries.

What Are You?

Are you willing to admit that you are not as good as other people in democratic America?

Do you agree that there is a strata above you, as well as below you?

If so, the middle class union, recently formed in New York, will welcome you with open arms—provided you are not a capitalistic profiteer or a member of a labor union.

The middle class union has for its object the protection of the interests of what it terms the middle class—the lawyers, doctors, teachers, and all others who are not capitalists or affiliated with labor unions.

It maintains that this great class is at the mercy of both capital and organized labor, and is further trimmed by the profiteers in other lines. Emancipation is its object.

The object is a worthy one, and organization is needed among these people. It may in time grow to respectable and even formidable proportions—after a new name has been selected.

The average American likes to think that he is just as good as any

CAN CATARRH BE CURED?

Does it Cause Tuberculosis, Pneumonia, Influenza To Be Contracted?

Free Examination and Lecture by
Catarrh Specialist

The medical director of the Indiana Catarrh Institute, 1436 North Illinois St., Indianapolis, Ind., is going to be in this city for one day. He will give privately a free examination and consultation to everybody that goes to see him as well as a very interesting and instructive lecture on just what catarrh is; what it will do to a person afflicted with it and give proof that catarrh has been cured and is now being cured every day right in this city.

This expert specialist has spent seventeen years in the special study and treatment of chronic Catarrh, has seen thousands of cases and positively pays no attention to any other disease than catarrh. He is at the head of a large institution in Indianapolis, which is devoted exclusively to the treatment of this one disease. He has an entirely new and different system of successfully treating this disease, which he will be glad to demonstrate to all who call on him.

This pleasant and successful system can be used at home, at very small expense without any loss of time or inconvenience. It works successfully on the worst old cases of catarrh, throat and bronchial tubes, chronic cough and bronchitis, dropping mucous in the throat, pains in the chest, shortness of breath, clogged up head and nostrils, head noises and catarrhal deafness, hawking and spitting, frequent severe colds. Asthma, hay fever, chronic catarrh of the stomach and bowels and all old "run-down" conditions due to catarrh.

Chronic catarrh is often the forerunner of Tuberculosis, Influenza, Pneumonia and other fatal diseases.

Stop wasting time and money on sprays, douches, salves, appliances and the methods of ordinary doctors. Go and consult a real specialist on this disease. It does not put you under obligation in any way. He is glad to advise you freely.

He will be at the Hotel Scanlon on Wednesday, Feb. 25th, from 9 a. m. to 8 p. m. and every twenty-eight days thereafter.

If it is impossible for you to call on him in person, you should write to find out all about this new system that is curing people. Just address a card or letter to the Indiana Catarrh Institute, 1436 North Illinois St., Indianapolis.

Sap and Salt

By BERT MOSES

Other people's money makes a fine plaything.

Impossible things are only things that have not yet been done.

Hez Heck says: "It takes a woman without a husband to tell how to handle one."

The successful orator is one who sits down when everybody wishes he would go on.

Thank heaven the future is hidden! Everybody would turn and run if they could see the troubles that lie ahead.

No joy is finer than having a friend with whom you can freely discuss subjects that are supposed to be highly improper.

other man—that the self-styled American aristocracy are a group.

Middle class?

Not on your life. Every man is seated serenely on the top of the ladder—at least in his own estimation.

Now that about every state has its favorite son in the wild and woolly presidential scramble, it is time for the cities, towns and villages to trot 'em out.

Rumor has it that modern man, in order to keep pace with the women, will soon be tripping daintily down the street garbed in decolete shirts and short pants.

A correspondent says she has one grave criticism to pass upon the year 1919. There was too much sameness to the figures—of the year.

Our Daily Laugh

New and Bright Yarns That
Will Tickle You and Will
be Relished by Your Friends
When You Repeat Them.

William Allen White, the most retiring boomer Kansas ever claimed publicly corrected the punctuation of a member of the cloth on the occasion of a gathering of Kansas natives in New York City. The minister said that his little daughter at prayers the evening before expressed her gratitude as outcome of the family's decision to return at once to Kansas, for residence. Said he; "She finished the prayer by saying, 'Good bye, God, I'm going back to Kansas.'" Mr. White arose, and said in reference to the glories and beauties of Kansas the sentence was subject to amendment. "And," said he, "it should read this way—'Good! By G., I'm going back to Kansas!'"

COUNTY NEWS

Orange

Mr. and Mrs. W. F. Schronk and Mrs. Ida L. McKee spent Tuesday afternoon in Rushville.

E. E. Morris moved to Rushville Friday and expects to make his future home there.

Mrs. Anna Paxton, telephone operator, is seriously ill with the influenza at the home of her daughter, Mrs. Howard Pyke.

Mr. and Mrs. Gus Bowen and daughter Lela, Mrs. A. D. George and son Herbert and daughter Edith attended the funeral of Otto Murphy at Gings Sunday.

Mrs. F. E. Riegel, assistant principal of the school here, returned from her home in Wisconsin Monday after a two weeks' visit. She left when the school closed on account of the influenza epidemic.

Charles Medd has been acting as nurse for his mother, Mrs. Elizabeth Medd, of New Salem, who is ill with pneumonia.

Cut This Out—it is Worth Money

DON'T MISS THIS. Cut out this slip, enclose with 5 cents and mail it to Foley & Co. 2835 Sheffield Ave. Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound, for coughs, colds and croup; Foley Kidney Pills for pain in sides and back; rheumatism, backache, kidney and bladder ailments; and Foley Cathartic Tablets, a wholesome and thoroughly cleansing cathartic, for constipation, biliousness, headache and sluggish bowels. F. B. Johnson—(Adv.)

"I help take the tire out of tire trouble"

—Chesterfield

LIGHT UP! Atta boy! Even the toughest job seems easier if you can "draw" on Chesterfield.

Those fine Turkish and Domestic tobaccos and that exclusive Chesterfield blend "satisfy" as no other blend ever did before.

Once taste that flavor, and you'll know why the Chesterfield blend is a guarded secret that cannot be copied or even closely imitated.

Look for the moisture-proof package that keeps the flavor in and the weather out—another reason for Chesterfield's unvarying good quality.

SURPRISE SPRUNG ON RUSHVILLE FIVE

Morristown Again Shows Class and
Defeats Local High School by
One Point

FINAL SCORE JS 16 TO 15

Rushville in Lead Only One Time
During Game—Fairview Up-
sets Dope, Defeating Manilla

For the second time this season
Morristown basketball team has
surprised the Rushville
team, and last night in an excit-
ing game, nosed the local team out
one point, 16 to 15. Overconfi-
dence on the part of Rushville had
great deal to do with losing the
game.

SYRUP OF FIGS

CHILD'S LAXATIVE

Look at tongue! Remove poi-
sons from little stomach,
liver and bowels

Accept "California" Syrup of Figs
— look for the name California on
package, then you are sure your
child is having the best and most harm-
less laxative or physic for the little
tummy, liver and bowels. Children
love its delicious fruity taste. Full
directions for child's dose on each bot-
tle. Give it without fear.
Mother! You must say "California."

In the preliminary game which
was equally as exciting the dope
was again upset when Fairview de-
feated the Manilla high school team
by the score of 27 to 24.

The Rushville team used their reg-
ular line-up last night with the ex-
ception of Eakins, substituting Jordan
in that place. The entire team
seemed to exert themselves stren-
uously as the game progressed in
order to make a good showing but
Morristown was there with the
goods and played better ball than
was expected of them. A few weeks
ago in a practice game here, the
Rushville team walked away from
them 36 to 15, but overconfidence
took a hand last night.

Morristown was the first to score
and registered four points before
Rushville made a point. Then with
the score 4 to 1, Morristown made
another field goal, putting the score
up to 6 to 1. At this point in the
game the local team displayed their
only fast playing, and by fast team
and floor work, ran the score up to
9 points, getting a lead over Mor-
ristown, the score then standing 9
to 6 in Rushville's favor.

This was the only time however,
in the game that the local team was
in the lead and it looked then as if
a walk away would be easy for
Rushville, but Morristown continued
to come back strong and when the
first half ended the visitors had
gained a two point lead, 12 to 10.

At the start of the second half
Rushville tied the score after E.
Headlee had thrown two foul goals.
The last half both teams fought
hard for the lead and finally Zike,
Morristown's center, caged a goal,
giving the visitors a two point
lead.

For a long time the score was 14
to 12, and Jordan, substitute guard
for Rushville, after making several
attempts at the basket on a long
shot finally located it, again tying
the score 14 to 14.

Zike repeated another good shot,
and with only three minutes of play
the Rushville team exerted their
best, but was not able to make a
field goal, Miller making one point
on a foul goal, leaving the local
team one point behind at the final
whistle.

It was evident that both teams
were playing good basketball in the
last half as Morristown made only
two field goals and Rushville one.

Morristown missing two chances on
fouls and Rushville making good
three out of six.

The local team was advised at
the beginning of the game not to
play too hard, but to save their
strength for future games, espe-
cially the Franklin game here to-
morrow night and the two tourna-
ments that will be held here soon.
They really didn't expect much op-
position, and Morristown sprang a
surprise.

E. Headlee came back last night
and showed up in better form, and
made three field goals in the first
half. It was clearly seen last night
that the team work of the local
team was better than the visiting
quintet, but points, win the game,
and it seemed as if the shots would
not hit the basket.

The line-up and summary:
Morristown (16) Rushville (15)
Hank F. Miller
Talbert F. L. Headlee
Zike C. E. Headlee
Whitesides G. Jordan
Abel G. Frazier
Field goals: Hank 2, Talbert 2,
Zike 1, Miller, E. Headlee 3, Jor-
dan. Foul goals: Miller, E. Headlee
4 out of 8. Referee Evans.

Fairview 27; Morristown 24

Basketball dopsters were again
surprised last night when the Fair-
view team defeated Manilla, 27 to
24. Manilla has been traveling fast
this year and was looked upon as a
runner up in the district tourna-
ment here, but Fairview seemed to
have the better of them in the game
last night.

The centers on the two teams
were the individual point getters,
with Shook of Manilla caging 5 field
goals and Peters, tall center for
Fairview getting 9. Patton for Fair-
view was good on the basket and
especially the foul goals. The game
was very close and was not won un-

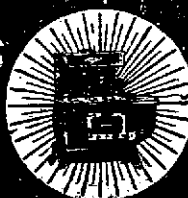

til the final whistle blew. The first
half saw Manilla leading 14 to 12,
and in the last half Fairview came
back strong and piled up a few
point lead which they kept until the
end of the game.

Fairview lined up as follows: Fink
and Patton, forwards; Peters, cen-
ter; Hill and Reed guards. Manilla:
M. Edwards and Montonye for-
wards; Shook center; O. Edwards
and Reid guards; Field goals, M.
Edwards, Montonye 3, Shook 5,
Patton 2, Peters 9. Foul goals Shook
4 and Patton 5.

To the woman looking for the Smart "Tailleur" Suit

Suit 4020 is of Tricotine. Fitted at the waist it shows one of the newest interpretations of the strictly "Tailleur." Details of nicely add to the smartly tailored tone.

Suit 4045 is of Silvertone, and assumes a decidedly mannish air through the cut of its collar, cuffs and pockets. The skirt combines straightness of line with walking comfort.

Tailored simplicity is always good. It's the things that are left off as much as the things that are put on that give just the right tone of smartness to the tailored suit.

Poirot Twill, Serges and Tricotine carefully tailored with every attention to details are used in these Wooltex Suits.

New silk dresses, skirts, and beautiful suits are arriving daily. These were purchased by Mr. Hugh Mauzy who is spending several weeks in New York to insure our customers the very newest from the hands of the fashion artists.

We strongly recommend that you look for the Wooltex signature in your new spring suit. Let us show you our newest models.

Rheumatism Leaves You Forever.

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiful and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed all druggists to guarantee it in every instance.—(Adv.)

MILROY, CARTHAGE SCHOOLS TO DEBATE

First of a Series of Intercollegiate Debates Will be Held Next Thursday in Milroy

INTERVENTION IN MEXICO

An intercollegiate debate will be held in Milroy next Thursday night, when a team from the Carthage high school will debate with the team at Milroy. The subject for the debate was suggested by the Carthage school, "That Intervention in Mexico is Justifiable," and the Milroy school was given their choice of either side. Milroy accepted the affirmative.

Each school will be represented with three pupils on the team and Milroy will probably be represented with Paul Seright, Florence McKee and Chester Richey. The debate will take place in the school auditorium at Milroy next Thursday night.

The judges will be chosen from school officials from disinterested places. The event will be public and a great deal of interest is being displayed both at Carthage and Milroy, and this debate will be the first of a series if it is found successful next Thursday night.

UNDERGOES OPERATION

Mrs. George Reeves, who underwent an operation at the Sexton hospital Tuesday evening, was reported today to be in a serious condition, but she is expected to recover. The operation was performed by two Indianapolis specialists.

MEXICANS WILL ELECT PRESIDENT

July Election Will Probably Show Whether Mexico Has Reached Civilized Stage or Not

MANY PROSPECTS FOR OFFICE.

Majority of Sentiment is to Get Away From Military Man For Executive Place

By RALPH H. TURNER.
(U. P. Staff Correspondent.)

City of Mexico, Feb. 2 (By Mail).—If Mexico, in the ten years of political evolution that has followed the overthrow of the Diaz regime, has reached the stage where she will abide by the will of the majority, then she has achieved one of her greatest objects in the struggle for democratic government.

Next July Mexico will have an opportunity to prove to the world that she has reached that stage. In the coming presidential election there is material for political dissension and resultant disorder. But the election also offers Mexico the chance to merge peacefully from the first real battle of ballots that the Republic has experienced since the days of Diaz, when it wasn't even necessary to count the votes. Mexicans today declare that if their country can weather the troublous waters of an election sea, it will mean the nation is on the sure road to peace and prosperity. The crisis will have passed.

The difficulty, if there is any, will arise from contests over the results of the voting. With two strong military men in the race, a dispute might lead to grave internal complications. Such danger has been removed, however, according to Aguirre Berlanga, Secretary of Gobernacion, by the recently enacted laws of election reform. "Even though both parties may present themselves as victors," Berlanga said in a statement to the United Press, "the executive will recognize as elected only the candidate able to present authentic proof. The government in power does not have to think twice about the matter, its role being reduced to the simple execution of the people's will."

By winning a majority on the permanent commission which functions while congress is adjourned, the Carranza government will be in control during the election. Fifteen of the twenty members composing the commission were chosen in the chamber of deputies last December. The government candidates winning decisively over those who represented General Obregon. Thus the government not only will be in technical control of the election, but Carranza, through his generals, is pushing plans to completely pacify the country before July.

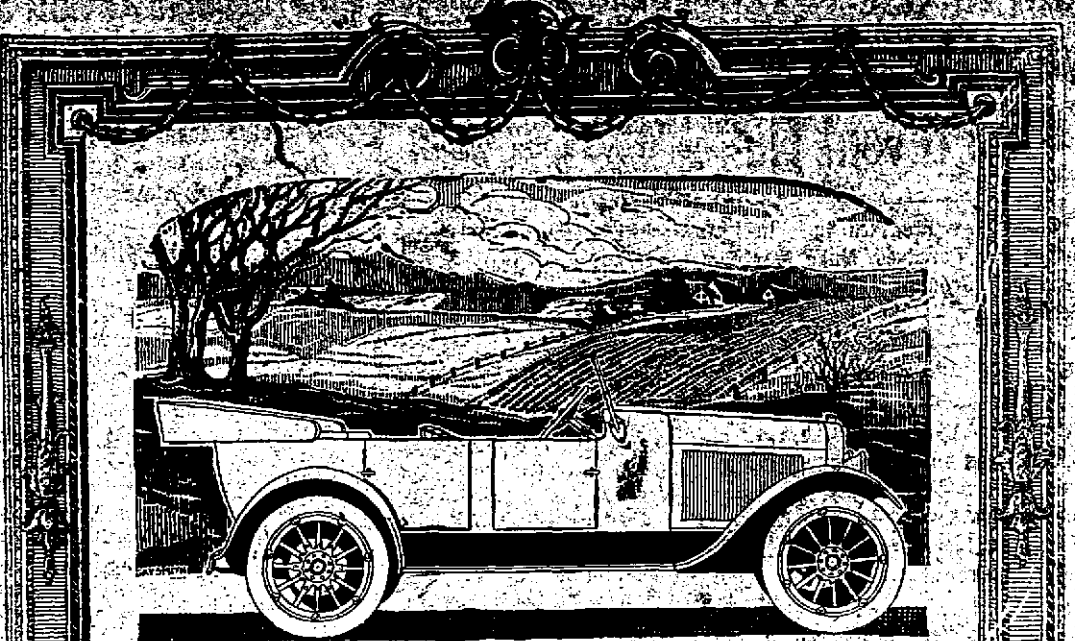

There are sidelights to the Mexican presidential campaign, which form the subject of much speculation. Discussion of this character chiefly centers around the question of whether the government will throw its support to a particular candidate—if there is to be one—naturally is being sought with eagerness in Mexican political circles. Both Gonzales and Bonillas are mentioned. But the subject is a delicate one, and one that is discussed quietly in Mexico City.

NAME "BAYER" ON GENUINE ASPIRIN

For Colds, Headache, Pain, Neuralgia, Toothache, Lumbago, Rheumatism

"Bayer Tablets of Aspirin" to be genuine must be marked with the safety "Bayer Cross." Always buy an unbroken package of "Bayer Tablets of Aspirin," which contains proper directions. Handy tin boxes of twelve tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monacetic Acid, of Salicylic Acid.

A new Elegance of Line Seen in this Chalmers

IT'S a car very easy to look at; and there's a wealth of comfort in those new type seat cushions of this Chalmers. Besides, this new elegance has in no way penalized roominess. At the radiator the lines are high. At the rear they are low.

From the cowl back the top line of the coach is low, but as you sit in the car you have a feeling this line is high.

Once in motion this position becomes even more alluring as you cling to the seat, note the absence of sideways, and feel that the car is hugging the road closely.

Particularly is your enthusiasm stirred when you observe the ease of the engine's effort, its intense silence, the quick response when you turn loose the power stream.

You tacitly pay a compliment to Hot Spot and Ram's horn, for they have Fletcherized the raw gas, utilized the last drop of power that nature stored away.

And you admire a Chalmers the more for it, for in addition to its beauty of action, it is arrayed in new garments that are refreshing to a degree.

can presidential campaign, which form the subject of much speculation. Discussion of this character chiefly centers around the question of whether the government will throw its support to a particular candidate—if there is to be one—naturally is being sought with eagerness in Mexican political circles. Both Gonzales and Bonillas are mentioned. But the subject is a delicate one, and one that is discussed quietly in Mexico City.

In many circles the situation assumes added interest from the fact that a civilian candidate is to make a bid for votes. Bonillas' fate at the polls may be an answer to the oft-advanced theory that "Mexico" is tired of military men.

Then there is the query, often propounded in American quarters: "What will the choice of a new Mexican president mean to the relations between the United States and Mexico?"

Mexico's presidential election, as a matter of fact, should hold almost as much interest for Americans as it does for Mexicans.

Witness whereof, I have hereunto set my hand, and affixed the seal of said Court at Rushville, this 17th day of February, A. D. 1932. LOREN MARTIN, Clerk. Feb. 2-18-19.

HOME MADE RECIPES—CATARRH AND COLDS. Nonexpensive—Cut This Out.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcline and pour it into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

Senecio—is the dentrifice that contains the properties recommended as ideal by United States Army dental surgeons.

WAS NERVOUS AND RUN DOWN—RESTORED TO NORMAL HEALTH BY BIOFEREN.

"I feel I owe you people a world of gratitude for the benefit I have received in using your wonderful remedy—Bio-Feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-Feren is without doubt, the grandest and quickest remedy for nervous, run down, weak, anemic men and women ever offered direct through the druggists and is not at all expensive.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue, if you are not in better health, if you do not feel ambitious, more vigorous and keen minded, yes, twice as much as you did before, the druggist who sold you this remedy will gladly have your money back (without your paying for it).

All druggists in the city and country have a supply on hand, or can be supplied by mail.

Write for a booklet "How to Gain Health and Happiness" from the druggist who sold you this remedy.

For a Pain around the Heart after Eating.

TAKE PEPSINCO

Sometimes in front just under the heart, sometimes around, under the left side, under the ribs behind the heart it's a sharp or acute pains; sometimes a dull heavy pain, leaving soreness. It's gas on the inside generated through seasonal foods, or because of systematic inability to properly assimilate the food, this gas soon collecting, forms a lump that causes the pain.

This is only one of a dozen different indications which PEPSINCO immediately relieves. Keep PEPSINCO handy and take it the next time.

Ask your druggist—he sells and recommends Pepsinco.

NOTARIAL PUBLIC—My commission expires March 1, 1921. My office is in the room of the late J. H. Carter, Church

NEXT WAR TO BE
HUMAN BUTCHERY

Experts Say Science and Invention
Insure More Wanton Destruction
in Next Conflict

SIX SCIENTISTS TO SPEAK

U. P. Correspondent Secures Inter-
view on This Subject With
The First One

By HENRY WOOD
(U. P. Staff Correspondent.)

Paris, Jan. 30 (By Mail)—Thanks to the progress of science applied to the art of destruction, the next war will be a human butchery so great that not only the combatants but the unoffending civil populations will be wiped out as well.

This is the unanimous opinion of six of the greatest and best qualified men in France to speak on the subject.

Three of them are members of the world famous French Academy of Sciences, and as a consequence, most qualified to speak from the respective standpoints of wireless telegraphy, chemistry and self-propelling projectiles, while the others are the highest possible experts in aviation, naval and land warfare.

These men, each of whom contributes his views of the next great war, are Monsieur Edouard Branly, French inventor and developer of wireless telegraphy; Monsieur Paul Painleve, former war minister and recognized French scientist; Monsieur Mouren, chemist professor at the College of France, and founder of the French Confederation of Scientific Work; Monsieur Bechereau, aviation engineer and expert; General Debeney, now director of the School of War and one of the most successful French generals in the final smashup of the German army on the western front, and finally Commandant X., one of the highest authorities of the French navy, but whose name naval etiquette does not permit to be used.

Here is the first:

By EDOUARD BRANLY
(French inventor)

"It is certain that every time someone discovers something new, the first idea is to apply it to war, and immediately people get busy to make machines improving the science that helps killing.

"As soon as aviation existed, it was used to increase the horrors of war. The progress of chemistry has been employed to make the worst asphyxiating gas.

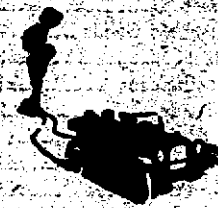

"The progress of aviation especially is formidable and disquieting. Since an airplane can carry through the air several tons of bombs, and running at great speed, I am inclined to think that it may be an urgent question to take up in peace time, of digging underneath the ground of cities, deep underground abris, for, should war break out, there would be no more safety for anybody on any point of land.

"Thus, the first idea of those who think of the possibility of a new war should be to build underground cities.

"We see airplanes able to carry 20, 30, 40 people and several tons of baggage. There will be machines soon which will carry a hundred persons. We see airplanes flying at a speed of 300 kilometres an hour. It means that within a few hours, giant airplanes leaving Berlin could come and drop on Paris, tons of bombs. If we were disarmed and we would let the Germans rebuild their aerial war material, under the pretext of making commercial airplanes, nothing would prevent them from putting us within two days in a frightful condition. Without even waiting an official declaration of war, hundreds of giant airplanes would come and set Paris afire. And the future war, if it happened, would be immensely more murderous than the one preceding because much more scientific.

"It is theoretically possible to produce destructive effects at a distance by wireless, but there are some difficulties. Suppose, for example, that they intend at Berlin to put Paris afire at distance, by wireless. The necessary condition would be that there existed in Paris apparatus previously installed to receive the order. Whatever is the danger that is to be done between one place distant from another, there must be a receiver operating automatically prepared to execute it. During this war we thought of blowing the German dumps by wireless, but it could have been done, but owing to the lack of receivers, they by themselves made the dumps there was no possibility of doing it. These receivers should have been placed in strategic points, and the wireless should have been used to blow them up."

THE CAR OF THE AMERICAN FAMILY

Hupmobile

When you stop to ask yourself if the Hupmobile literally is the best car of its class in the world, you must not overlook the *really wonderful* character of the service it gives. By service, we mean more than long life and Hupmobile economy—which are proverbial. We mean the faithfulness and the dependability of *The Comfort Car*—a willingness of response and steadiness of performance which warm a driver's heart. It is the positively *unusual* things which the Hupmobile does—not now and then, but habitually—which make people believe it is the best car of its class in the world.

Nursing
Mothers

There is nothing so good for You
and Baby as Vinol, our Cod
Liver and Iron Tonic.

To impart the life giving and body growing elements to your baby, you must be in good condition yourself—you must be strong and vital, you must have real red blood, and your own food must be well digested and readily assimilated. Vinol will give you all this. If you need strength and your baby is not doing as well as he might, try a bottle of Vinol and see how baby will improve and how much better you will feel yourself.

NOTE—Your baby's strength and his body growth depend on the quality of the food he takes. Vinol is the best food for babies. It is the best food for mothers. It is the best food for all. It is the best food for the world.

Your Vinol is at your service. Write to us for a free trial bottle. We will send you one free of charge. Write to us for a free trial bottle. We will send you one free of charge.
